**Transfer of Information Control Section to D/GL**

1. It is requested that steps be taken to transfer the Information Control Section from the Office of the Chief, Geographic Research, to the Office of the Chief, Map Library Division. Changes in the mission and functions of the Section which follow from this transfer and from the previous re-assignment of reading panel responsibilities to St/I are incorporated in the new mission and functions statement that is attached (Incl. 1).

2. It is further requested that the name of the unit be changed to "Control Section." Some reading panel duties have been retained in the Section at the request of St/I, but the duties are now subordinate in importance.
